And respectfully seeks action by the Court and for cause as follows:

The purpose of this memorandum is to advise the Court that the above-named defendant has violated the following conditions of pretrial release:

- (1) The defendant must not violate federal, state or local law while on release.**
- (7-I) The defendant shall not use alcohol at all.**

On 1/7/25, the U.S. Probation & Pretrial Services Office notified the Court that Mr. Therrien had not remained in compliance with his conditions of release since his Show Cause and Rule 11 hearings on 11/27/24. Specifically, the defendant was unsuccessfully terminated from his substance abuse treatment program for excessive absences, and failed to attend a state court hearing on 12/16/24, and to report his contact with the Newport News VA Police Department on 12/28/24.

Consequently, the Court adopted our office's recommendation to impose a nightly curfew with electronic monitoring to enhance Mr. Therrien's structure while he awaited his Sentencing on 3/6/25. Subsequent to receiving the approved order on 1/10/25, our office contacted the Eastern District of Virginia's Pretrial Services Office to ask that Mr. Therrien be enrolled in their electronic monitoring program given that he has resided in that state throughout his period of pretrial supervision.

On 1/14/25, this Officer received notification that Mr. Therrien had been arrested by the Newport News, VA Police Department earlier that morning. A further inquiry with the Newport News Police revealed that the defendant had been arrested for Robbery and a Preliminary Protective Order Violation. According to the incident report, on 1/13/25, Jennifer Beach reported that Mr. Therrien forcefully pulled her phone from her hand while she was driving. Ms. Beach then pulled into a parking lot and ran inside a 7-Eleven store while Mr. Therrien drove away in the truck. The report noted that there was an active protective order against Mr. Therrien, taken out by Ms. Beach, at the time of the incident.

Upon returning Ms. Beach to her residence, the investigating Officer observed Mr. Therrien driving in the area and proceeded to conduct a motor vehicle stop as Mr. Therrien pulled in front of her apartment. Thereafter, Mr. Therrien informed the officer that he and Ms. Beach were at a friend's house where he had been drinking which is why Ms. Beach was driving. He then claimed that Ms. Beach had freaked out and pulled into a parking lot and went inside the store. The report concluded that Mr. Therrien admitted he was aware that Ms. Beach had obtained a protective order against him but she had told him she was going to have it removed. Ms. Therrien was then placed under arrest for the above offenses.

Given the severity of Mr. Therrien's new state charges, coupled with fact that he has repeatedly failed to comply with his conditions of release while under pretrial supervision, our office is requesting that the Court issue a warrant for his arrest. It should be noted that the U.S. Attorney's Office has been notified of Mr. Therrien's new arrest and is aware that our office has requested a warrant to address his noncompliance.
